

*the Legion of Nasty Neighborhood Kids blaze in Full Throttle
they perform a Death-Defying Stunt Show on their Bikes and Blades and Boards*

*and while they're having the Time of their Lives
they drop a Manic After-School Chorus*

the legion of nasty neighborhood kids

Hey!

You wanna know Something we Know that you Don't Know?

a glimmer of Choral Malice

the legion of nasty neighborhood kids

We're Really Really Good at MAKING MISTAKES!

they Pop Wheelies

they Ollie

they Rollerblade Backwards and Forwards

and form elaborate Human Pyramids on Moving Bikes

the legion of nasty neighborhood kids

I mean

do you even Realize

how totally EASY it is

for us to MAKE MISTAKES?

You wish!

Better luck next time!

Do you even Realize

how totally Easy

we can fall in Love

with the Wrong Man?

Betcha Don't!

Eat my Dust!

and how totally Easy

we can get Knocked Up

and Marry his Dumb Ass?

Why are you even Trying?

Give Up, Loser!

and how totally Easy

we can have Children we never Wanted in the First Place?

You're totally Stumped I can tell!
I bet you Ride the Short Bus!

and how Totally Easy
we can Sacrifice Everything we ever Wanted just for those Fuckin Kids?

Guess!

Like Say working a Shitty Job to pay for all their Clothes

Guess!

and living in a Suburb that makes us wanna Gag!

Guess!

and giving up Every Single Eensy Weensy Dream we ever had for Ourselves?

a Crack

the legion of nasty neighborhood kids

All for Them! Guess!
All for Them! Guess!
All for Them! Guess!

*a Crazy Whoop and Holler
followed by a few more 10-point Vehicular Acrobatics*

the legion of nasty neighborhood kids

It doesn't take a Friggin *Genius*
to know we're like the *Best* at Making Mistakes *Ever*

(All for them
All for them)

But you know what's even Easier?

Do ya?
Betcha don't!

a Snarl

the legion of nasty neighborhood kids

Hating
Hating

Hating
HATING THEIR GUTS FOR IT!

*the Neighborhood Kids perform one last act of Unmitigated Danger
and Rocket Away into the Horizon*
